## *Craft a Unique Event at Engrained*

---

Your event at Engrained will be a special and memorable experience for your guests. Our private event space, overlooking the brewery, offers an elegantly casual atmosphere that is customizable to your needs. Our farm to table menu, craft beer brewed onsite, local wines, and extensive bar selection combine to create a gathering that will be appreciated and remembered.

A great brewpub brings people together, and it's that spirit of community that we bring to special events at Engrained. We hope you will join us for the next gathering in your life, whether it's a rehearsal dinner, company celebration, meeting, or party with friends.

# *Custom Space Design*

## **Private Space Configurations**

Our private room is very flexible and can be configured in a number of different ways to accommodate your event. The following configurations are available:

<b>Type of Event</b>	<b>Table Arrangement</b>	<b>Max # of People</b>
Party/Luncheon/Dinner	Rounds	48
Meeting	U-Shape	12
Meeting	Rectangle	16
Intimate / Family	Rows	32
Mingling / Roaming	Cocktail	100

PLEASE NOTE: It may be possible to increase the maximum number of people in the private room during non-peak periods of business, however, during nights and weekends this might not be possible.

**Rounds:** Eight tables are left as standard 60” round that can seat up to 6 people.

**U-Shape:** Tables arranged in a “U” shape to focus the group’s attention to the front of room. This is great for speakers and presentations using our A/V system. The 12 person figure only includes people seated on the outside of the U (nobody seated on the inside).

**Rectangle:** All eight tables are pushed together into a big rectangle. This is a traditional conference room configuration, which is great for a formal meeting where everyone faces each other.

**Rows:** The tables are positioned into two rows, with 4 tables in each row. This allows for a more intimate configuration where people can chat with the people seated at the table behind them.

**Cocktail:** Tables and chairs are pushed to the outside edges of the room to leave the middle of the room open so people can walk around and mingle. We can rent bar height cocktail tables (with linens) for an even nicer room arrangement. The fee to rent cocktail tables is \$35 per table plus an \$80 delivery & pickup fee.
